City of Lone Tree Homeowner's 2012 Trash and Recycling Guide

Why

To accept a personal role in the improvement of our environment and the conservation of natural resources.

How

There is no additional cost for recycling services. Pro Disposal, Inc. provides residential curbside single-stream recycling. You may mix recyclable paper, plastic, and glass in bin. No sorting required.

When

Recycling is picked up on the same day as your trash, on an every-other-week schedule. Place recycle bins a few feet from your trash. Please have trash at curbside by 7:00 a.m. on the day of collection.

Bins

Two free 18-gallon recycle bins per household may be picked up at the City of Lone Tree Administration Office or 65-gallon wheeled carts may be ordered. Information can be found at www.cityoflonetree.com/recyclecart.

Trash

Pro Disposal, Inc. will collect unlimited household trash each week. Please bag all trash and place in a closed container to protect it (40-pound limit per can or bag). Bag all animal waste.

Yard Waste

Each week, Pro Disposal, Inc. will collect up to 15 bags of yard waste (leaves and grass). Branches and brush: cut into 4-foot lengths and tie securely in 24-inch diameter bundles. Limit 10 bundles a week. 40-pound limit per bag.

Sharp Objects

Please place hypodermic needles, razor blades, or any other sharp items into a hard plastic container with a screw-on lid. Wrap broken glass and mirrors in newspaper and label. Do not recycle and place in trash.
