Identity Theft - No doubt you are aware that identity theft has been the fastest growing crime in the United States over the last four years. Nationally the cost of identity theft related crimes has exceeded $105 billion which is more than the illegal drug trade. The LTPD is working with businesses within our city encouraging them to ask for identification when checks are written or credit cards are used. They want the criminal element to recognize that Lone Tree is not a “crime friendly” place to do their business and hopefully they will go elsewhere. Requiring ID will help significantly to reduce this problem. If you are asked to show your identification please do so cheerfully. This is for your protection as well as the business owner.

What’s up with the construction on Yosemite Street just south of Heritage Hills? - The Southgate Water and Sanitation District is making improvements to the Districts’ property at 9500 S. Yosemite. At this point the contractor has completed rough grading, unsuitable materials removal, suitable materials imported, construction of the materials bins and retaining walls, and placement of concrete in the central plaza area. The contractor is now working on drainage improvements and final grading. Additional concrete will follow for the access drive and Yosemite curb/gutter/sidewalk improvements. It is still their goal to install the landscape before the end of the year.

SSPR will recycle Christmas trees from December 26, 2007 through January 13, 2008. Residents can dispose of trees at the Willow Spring Service Center, 7100 S Holly Street. Trees will also be accepted at Cornerstone Park parking area, enter from Windermere Street south of Belleview Avenue. All lights, ornaments, garland, tinsel and stands must first be removed. Flocked trees, leaves, branches or other refuse will not be accepted at the recycling sites.

During the recycling effort, trees will be mulched and free mulch will be available shortly after the recycling process begins. Residents can obtain mulch Monday through Friday, from 7:00am - 3:30pm at each of the two sites. Call the South Suburban Administrative office at (303) 798-5131 for more information.
